6:30 PM (20 minutes ago)

Jose,

Thank you for taking the time to apply to the Software Engineering Intern position at Acorns. Please be assured we have received your application.

We are delighted you would consider joining our team. We do our best to contact all candidates who apply, regardless of the outcome. This is one of the many ways we #leadwithheart.

In the meantime, here are some resources to help you get a better understanding of Acorns' culture and our mission to look after the financial best interests of the up-and-coming.

1. Visit Learn, our educational space for personal finance articles, to browse our tips on everything from investing to taxes.
2. Listen to our CEO, Noah Kerner, discuss his approach to defining corporate culture on the Wharton Fintech Podcast
3. Read how our recent collaboration with Zip Recruiter helps us look after our customers' best interests
4. Forbes recently listed Acorns as one of America's Best Startup Employers. Read more about the amazing team making it happen
5. Watch a short video that explains how Acorns helps customers grow their wealth simply, for every life stage.

Lastly, we truly appreciate the time you've invested in our application process. We'd like to return the favor and invest a $20 bonus into your Acorns account when you sign up today. To redeem your bonus, please follow this link. Your Acorns account status (whether existing, new, or none) and any account activity will not be considered as part of your job application or hiring decision for any role at Acorns. This offer is entirely separate from our recruitment process.

Warm Regards,
Acorns
